**“For the Lord God *is* a sun and shield; The Lord will give grace and glory; No good *thing* will He withhold From those who walk uprightly.” - Psalm 84:11**

Nestled between the flowers of spring and the leaves of fall sets an amazing time of year, summer. Identifiable to those who work as the months between Memorial Day and Labor Day. For students it's no more school, staying up late, and outside with friends. Garden lovers harvest the winters food with corn, beans, cucumbers, squash, and okra. To those in our church its VBS, mission trips, Impact Yadkin, and Look Up Lodge. It's long days at the pool, vacation at the beach, endless days of daylight, and lying quietly in June, the longest day of the year. Summer is fresh squeezed lemonade, cold iced tea, and the unmistakable taste of homemade ice cream.

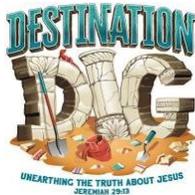

Summer is different to everyone, but it's not dull, dingy, dark and gloomy. It's bright sunshine, sunglasses, and sun screen. Harry Dixon Loes wrote in the 1920's the simple tune, *This Little Light of Mine*. The simple song that all of us have sung since childhood reminds us, "to let our light (of Christ) shine before all men, never hiding it under a bushel, and to never allow Satan to extinguish. Let the whole world see the Light of Christ in Us." The lyrics of a childhood song, with an everlasting impact.

While teaching the Sermon on the Mount Jesus said, "In the same way, let your light shine before men, that they may see your good deeds and glorify your Father in heaven." (Mt. 5:16) As believers in Christ we should never walk around in gloom and despair with our heads hung down, but with a smile on our face and the step of joy in our life. We have the good news to tell, and may we do so each day with the brightness of God on our face. Have a great Summer! In Christ, Chris
