To respect privacy, prayer requests can only be printed if they are made by the person named or by a member of their immediate household. Someone who has received permission from the named person may also submit a request. Person for whom a concern is well known may also be named (i.e. the family of someone who has recently passed away).

Because this list is intended for urgent needs, the concerns named here will be listed only for the calendar month and will automatically be removed after the last Sunday. A new request will be needed to renew a listing for the next calendar month.

For concerns that emerge mid-week, a Prayer Chain has been established. You may initiate the chain by calling Rev. Hollister or Jeff Warren at the church office at 570-587-3206 or by emailing the office (office@countrieside-church.org). You may then indicate whether you want the concern published or kept private within the prayer chain.
