## Small Group Discussion Guide The week of June 13

Ice Breaker 1: Who has made a positive impact on you? Who has made a negative impact on you?

Ice Breaker 2: Who is your favorite character from history that made a positive impact? Please explain why?

1. What is one thing that challenged you from Sundays message?

2. In 1 Thessalonians 2:1-4, Paul was relating to the Thessalonian believers that he had suffered and had been unjustly imprisoned while in Philippi. In spite of this, Paul continued on to Thessalonica where he was persecuted as well. Paul didn't avoid hard things, he walked into them. What can we learn from Paul's example?

3. Have you experienced a difficult circumstance or season that you felt like giving up on? Please explain what happened?

4. What are some hard things that Christians give up on?

8. Have you seen religious people that have the wrong motives? Please explain.

5. Read 1 Thessalonians 2:1-4. What helped Paul continue forward into difficult circumstances?

9. On Sunday Pastor Adam talked about Paul using his citizenship to challenge the government. How should a Christian rightly respond to his government?

6. Paul could not be stopped from serving Christ and His church. How should that principle be applied to our life?

10. What scriptures and parameters does the Bible lay out to challenge the government when they are out of bounds?

7. Read Colossians 3:17, Philippians 2:3, and Galatians 1:10. Paul explained that he had the right motive for ministering to the church at Thessalonica. From the verses you just read, what should our motives be for serving and ministering to others?
