Church Family News

Kids Zone There will be NO Kids Zone on July 4th, to allow our volunteers a well deserved long weekend off. Kids Zone will resume as normal on July 11th. See you then!

A big congratulations goes out to this years high school graduates! Our grads this year are Cheree Peters, Emily Hart, Makena Sowers, Julia Amendt, Amber Braun, Caleb Mohninger and Drew Torrie. We will be praying for you as you head out into the world this fall!

Congratulations to Erin Wilkinson on her recent graduation from Northern Lights College! Erin has successfully completed her program and will now begin her career in licensed practical nursing. What an accomplishment! Our prayers are with you during this exciting time, Erin!

Congratulations to Kevin and Danielle Prosper, who were joined in marriage on May 22nd, 2021. Please join us in thanking God for the gift of marriage, and in praying that the Lord will use their relationship to draw them closer to Him.

Junior and Senior Youth have both wrapped up for the year! On behalf of both sponsorship teams, we want to thank everyone who attended in 2020/2021. Despite many challenges faced during Covid, relationships were formed, trust grew, and the Gospel was better understood as the months went by. We have been honored to have the opportunity to work with the youth this year, and look forward to seeing them again at kick off in the fall!

We would like to announce that Stan Troyer intends to pursue membership at NPMB Church. If you have any thoughts or concerns with regard to Stan's application for membership, please reach out to Pastor Andrew or any of our elders.

Congratulations to Connor and Stacey Loades on the birth of their baby girl, Raelynn Alysia. Raelynn was born early morning on Sunday June 13th weighing 8lbs 10oz. Welcome to the church family, little one!

Missionary Corner

We have almost finished the school year. The students finished on June 11, but the staff have been meeting to reflect on last year and plan for next year. We are so thankful for all the ways we have seen God answer prayer this year. Although we had a few incidents of COVID in our community, we were able to use a combination of a brief all school quarantine and individual exposed family quarantines to continue most of the school year mostly in person. We were able to find creative ways to have our typical year end events while still complying with limits in the size of gatherings. I am thankful for the opportunity to coordinate two of our year end events (High School Celebration and Graduation).

I work with amazing people who stepped up to fill in gaps when I was working to complete many other tasks at the same time. I am so proud of our students who found ways to thrive while also facing constant change and many losses of things they'd hoped for. We are praying for the upcoming year to be closer to typical and for wisdom as to how to leverage these interesting times into an even stronger and healthier school. We are excited to have a slightly larger student body next year and some new people to join us on staff.

I enjoyed mentoring a senior, teaching Bible, and leading a small group. One of the highlights of the end of the year was driving my small group girls downtown for ice cream. I am enjoying the freedom of being a licensed and approved driver. I do not own a car but there is a shared vehicle I am allowed to sign out to use.

I am also happy to announce I am nearing completion of my Masters degree. I have completed all my classes and gathered the data for my project. I have two more sections to draft and submit for checking before I make the final edits and present my research. I may be allowed to invite people to join the presentation by Zoom, so let me know if you would like the link, if approved to send it out.

I love serving at RFIS in Cameroon. I am so thankful I can be here. Your support, prayers, encouragement, and love enable me to do so. Thank you so much.
