Ministries & Mission Efforts:

Africa, Auburn-Tuskegee,
Chattanooga, the Caribbean,
Europe, Knoxville

We are excited to have a guest speaker this weekend, Shawn Wooten! Shawn has been serving on the mission field in Europe for decades. He has been a frequent visitor to North River in years past, but this will be his first time back with us in person in well over a year! Shawn will be speaking at both the 9 am and 11 am service on Sunday, and on Saturday Shawn will be doing a workshop for our small group leaders at the Lighthouse from 9-11 am. Looking forward to hearing some inspiration from a very inspirational man of God.

9 am Service: This Sunday morning (6/20), we will be meeting in the Lighthouse Theatre for our 9 am service. Heavy rain is forecasted for Sunday morning, so we're moving our service indoors. We're looking forward to gathering at 9 am! The service is still **mask optional** and our good friend and guest speaker, Shawn Wooten, will still be preaching. No childcare will

be offered, but parents are still encouraged to bring their kids, and feel free to bring blankets and games/activities to have for them in the theatre!

11am Service: Because there are some who want to remain masked, we're asking that everyone remain masked when entering and exiting the building. There will continue to be a masked only section and optional separate auditorium exit. Our desire is to continue to honor, respect and accommodate those who prefer to wear masks but to also make changes in keeping with our community partners. **We will no longer have online registration, and we will stop temperature checks and health questions at the door, however, we still require registration for Children's classes by Friday night.** Our Children's Ministry classes are open for **5th grade and under**. [Click here to register for Children's Ministry](#)

COVID-19 Task Force Update: We are thrilled that the levels of COVID have gone below 2% in Cobb County and much of the state. This means out of 100 people tested for COVID less than 2 are positive! The Marietta City and Cobb County Schools have made masking optional for students, teachers and visitors. For patients, families and visitors, the Wellstar Health System has stopped taking temperatures and asking COVID questions in most of their facilities. With this in mind the COVID Task Force has recommended to "open it up" because of the low incidence of COVID in our community and noting no members who have tested positive after services for several weeks.

RIVER KIDS' TABLE TALKS

Hey River Kids! Our latest table talk video is here! Table talks are a family devotional set in a meal-time casual format for families to connect with their kids spiritually with minimal effort involved! Your goal as their parents is to facilitate spiritual connection and conversation, and we pray table talks will make that process simple for you.

Please check out the videos here: <https://youtu.be/x-IGDdJouOs>.

Shining Stars Performing Arts Academy

Shining Stars Performing Arts Academy is back this summer at **Camp Swamp, July 18-24**. We are excited this year to be able to focus more on Commercial and On-Camera techniques. Students will be instructed by industry experts on how best to film themselves as well as how to edit videos. For our Virtual Showcase, we will be featuring professionally captured videos of individual performers, as well as our signature group performances. This is especially important as all of us enter into more digital and virtual auditions and performances. We will continue our three-pronged approach with singing, dancing, and acting and offering opportunities for those writers and filmmakers behind the camera!

Old Testament Survey Course (May 15-September 18, 2021)

Fewer than 10% of Christians have read the entire Old Testament. This is primarily due to unfamiliarity with the O.T. world and a lack of much-needed training. This survey course introduces the student to the world of the Old Testament, from the historical and geographical background to the formation of the Old Testament itself. Don't miss out on this great opportunity!

Bringing HOPE and CARE PACKS to our Community!

We are excited to introduce the North River HOPE "CARE MINISTRY"!

"Whatever you did for one of the least of these....you did for me." Matthew 25:40

The CARE MINISTRY will help equip us to genuinely care for and "love our neighbors" who are in need, especially those experiencing homelessness who may be sitting at street corners or in front of stores. We can encourage our neighbors with a genuine hello, a smile, and a CARE PACK!

The CARE MINISTRY provides guidelines for making CARE PACKS (regular and mini size), CONNECTION CARDS (connecting our neighbors to local resources) and CARE CARDS (encouragement cards made by all ages for all ages!)

Monthly CARE CARDS will also be made to express love and kindness to our NR church members who are sick or feeling lonely, to children within our church families around the world, and to children and individuals within local community programs!

Everyone of every age can serve together within the CARE MINISTRY with our families and communities!

"Jesus went around doing good...because God was with him." (Act 10:38) May our church family be known by this same description!

For more info please visit the HOPE worldwide NR webpage <https://nrcoc.org/ministries/hope-worldwide>

or contact your Community Service Rep! [Click Here](#) for care package instructions.

THRIVE Ministry: Young Marrieds Marriage 101 Class

Tuesday Women's Bible Study

The next Tuesday Women's Bible Study will meet on **June 29** at 10 am in the Lighthouse Atrium. We are excited to do a series on Women of the Bible. We will be following the North River protocols, by social distancing, and wearing masks. Please join us if you are able!

Let Us Pray...

I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people - for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness. This is good, and pleases God our Savior, who wants all people to be saved. — 1 Timothy 2:1-4a

We have a Podcast!

We will be posting audio content each week with our Sunday sermons going live every Monday morning. In the show notes for the sermons, you'll find study/discussion questions for you and/or your small group! We've also started a devotional program called "Manna in a Minute," with short 1-2 minute devotionals going out multiple times a week. These are designed to help us focus our hearts and minds as we go about our busy week. In addition to this, we are designing additional programming to incorporate into our podcast platform in the coming weeks and months. You can find "North River Podcast" wherever you get your podcasts. Please subscribe and check back regularly!

Join the Crew!

"And God said, 'Let there be light,' and there was light." Genesis 1:3

While God simply yet powerfully spoke it into existence on such a massive scale, North River relies on our talented lighting crew every week to illuminate the sanctuary for our weekly services, helping to set the tone for worship, for which we are exceedingly grateful. Without this crew, our worship team would be heard but unseen. There are currently open positions on the crew, and if you would like to serve in this fashion, we'd love and appreciate your help! Training is available if you feel motivated but inexperienced. This is a unique opportunity to serve the congregation in a very special way! Please contact Andy Pilcher (andypilcher@nrcoc.com) or Sherwin Mackintosh (sherwinmackintosh@nrcoc.com) for further details.

North River's Vision Statement

We are a diverse family of believers who answered the call to be disciples of Jesus Christ. We are being transformed by God's Word, His Grace, and the Holy Spirit. Through small groups and deep relationships with one another, we join in Jesus' ministry and mission to make and mature disciples while we care for the needs of people. We do this to save as many as possible for the glory of God.

2021 Sunday Series: Faithful Together

In 2021, we'll be focusing on "Faithfulness." Not so much our faithfulness, but we'll be turning our attention to the fact that "He is faithful." As we reflect on the faithfulness of the Father, the Son, and the Spirit, we are convinced we'll be inspired to respond with all of our hearts by choosing to live "Faithful Together." We will pray, fast, study, and serve TOGETHER. No matter what challenges we face in the new year, let's make sure we live "Faithful Together!"

Coronavirus Risk Guidelines

Our own Dr. Kevin Broyles came up with [the following chart linked here and on the last page](#) that can help you assess the risk of a social gathering. He based it on the best practices and recommendations of organizations like the CDC, WHO, Johns Hopkins University, and Georgia Department of Public Health, but the chart is not reviewed or endorsed by any of those organizations. The chart is NOT medical advice or a substitute for doing your own research, but it is additional information.

To use it to assess the relative risk of an outdoor or indoor activity, first look at the Outdoors column (if the event you are considering attending will be outdoors) or the Indoors column (if the event is indoors). Find the rows in the Number of People column that accurately describe the number of people at the event. Then ask whether or not everyone is wearing masks (YES in the Mask column) and whether or not everyone is social distancing (YES in the Social Distancing column). The level of risk varies depending on each of these factors.

POSTPONED: 2020 Vision Conference in Orlando

[For all the latest updates go to the website HERE.](#)

It is with mixed emotions that we will be unable to host the VISION Conference in Orlando this summer. However, it has become apparent that the impact of COVID-19 has overshadowed the possibility to actualize this worldwide event this year as planned. We, like many of you, were certainly looking forward to a time of fellowship and celebration, and so this is a disappointment for sure.

So in order to find available dates, we have decided to stagger the conference. Instead of hosting more than 20,000 disciples over the same four days, we'll see two (2) distinct waves of attendees that will put less demand on the hotels, nearby restaurants, public flow within our venues,

and an overall reduction of our mass gatherings at any one time:

NEW DATES FOR THE 2022 WORLD DISCIPLESHIP SUMMIT:

JULY 28-31 ICMC: (Campus) and ISC (Singles)

JULY 31-AUG. 3 ILC: (International Leadership Conference)

AUG. 4-7 FAMILY: (Parents, Single Parents, Kids, Middle & High Schoolers)

FOREVER FAITHFUL: (Empty Nesters, Marrieds w/o Kids, Retirees)

SPANISH Conference

Requesting a Room or Building at North River

(All Reservations for Facilities on Hold Through February)

As good stewards of all that God gives us, let us keep the following in mind concerning our buildings:

- Treat the buildings as though they are your home. (They are!)
- To request a spot go to www.nrcoc.org, [click on Resources and select Facility Request](#). Easily fill out and submit from a phone or laptop.
- All private events for members (weddings, birthday or grad parties, showers, etc.), will incur charges.
- HVAC systems and security are scheduled ahead of time, so we ask that you put in all requests **at least two weeks before your event**. Most requests are processed within 48 hours.
- Members and guests are not permitted to use any rooms without a reservation.
- Bear with each other if you don't get your desired spot – or for the time you need it. Flexibility is key!
- **Reminder: The FLC and The Lighthouse are NUT-FREE.** Please keep this in mind when bringing lunch or potluck meals. Thank you for keeping those with serious food allergies safe.

Thanks for cooperating. Please send your questions to events@nrcoc.com.

Helpful Guide for Potential Coronavirus Risk

by Kevin Broyles - 25 May 2020

The levels of risk are based upon current national and local data and medical opinion.

The data and guidelines are not black and white; we are in a gray zone.

* Potential Level of Risk 0 - no risk 1 - very low risk 2 - low risk 3 - moderate risk 4 - high risk 5+ - very high risk

Potential Risk Calculator	Virtual	0 Point
	Not virtual - face to face	Add 1 Point
Indoors > 5 people or Outdoors > 10 people		Add 1 Point
	Not wearing masks	Add 1 Point
	Not social distanced	Add 1 Point
Older, Immune Compromised, Chronic Diseases		Add 1 Point

* Number of People CDC recommendations: Indoors group of 5 or less people, Outdoors group of 10 or less people

* Mask Remember: Masks are helpful to keep you from spreading coronavirus to others, they do not keep you from getting an infection.

* Distancing CDC distancing recommendations based on activity:
 Normal activity (conversation, walking) - 6 feet apart
 Vigorous activity (like exercise, sports, singing, forceful speaking) 12 feet apart
 Time of exposure: longer times (>15 minutes) are more risk than short times
 Do not expose others or be exposed to anyone with symptoms: cough, fever, flu or cold-like symptoms, or recent exposure to a COVID-19 positive individual
 Smaller spaces have higher risks (bathrooms, elevators)

Hygiene Wash your hands frequently (5x/day - reduces risk by 35%)
 Clean exposed surfaces
 Do not touch your face, eyes, mouth

Current Thoughts **Transmission** Up to 40% of people can be contagious before they have symptoms
 Transmission 35% of people infected will never have symptoms
 Social distancing Without social distancing it was estimated that the USA would have had 35 times the number of deaths
 Children 150 cases of pediatric multi-system inflammatory syndrome after have COVID-19 infection
 Contact Tracing Georgia Public Health Department will begin tracing contacts in the near future
 Vaccine Some optimism from one company about an effective vaccine - would be available January 2021 at the earliest
 Treatment Some positive results from remdesivir combined with other medications in hospitalized patients
 Treatment No scientific evidence that hydroxychloroquine or chloroquine is helpful to prevent or treat, some evidence it is harmful.
 Antibody Test A qualitative test. It is either positive or negative (doesn't measure level of antibody)
 Antibody Test Becomes positive after 7-14 days of exposure or symptoms. If tested too early - may get a false negative.
 Antibody Test Positive test doesn't mean immunity.
