

Spiritual Gifts

Spiritual gifts are special gifts that Christ-followers receive from the Holy Spirit. Spiritual gifts are given to an individual person, but they are meant to be a help to the whole body of Christ (the church!). So, your spiritual gift is given to you, but is supposed to be used to help and serve others. It's like the gift that keeps on giving! Discovering your spiritual gifts is best done through prayer and in community (discussing with the Christ-followers who know you best!).

But these questions might help you, just a little, think about what your spiritual gifts might be!

[P.S. These aren't all of the spiritual gifts, just a snapshot of some!]

Maybe none of these are your *thing*, and that's okay!
There are many other spiritual gifts. Check out and discuss Romans 12:6-8, 1 Corinthians 12:8-10; 28.
What other spiritual gifts are there?
Do any of these sound like you?
