

Bethlehem Community Celebration

All are welcome

Join us on **Saturday, August 21st 6:30-8:00** for a dinner of hotdogs and fixings—special music by area Bethlehem churches and ACHS Band Ensemble. We will turn off the Star, whose light has inspired us throughout the darkness of the pandemic. Gifts of special stars will be given to all as we are encouraged to let the light shine in us. We also will remember all in our community who died from COVID. If you would like your loved one or an acquaintance to be remembered by name, please call 828-495-8251 and leave your name and phone number.

This will be a special night of fellowship, remembrance and celebration. Hope you can join us.
