VIDEO NOTES

The goal of a community group is to provide everyone the opportunity to pursue authentic community and spiritual growth. **Community group is where you are *known* and *grown*.**

"Two are better than one, because they have a good return for their labor: If either of them falls down one can help the other up. But pity anyone who falls and has no one to help them up." Ecclesiastes 4:9-10 NIV

"There are things than can happen in circles that can't happen any other way. That's by design. You cant grow spiritually unless you're connected relationally. God created us for community."

Life is better connected. Your role is to show up, join in, and be real.

LET'S TALK ABOUT IT

1. What was the best group or team you have ever been apart of? What made it so great?
2. Did that group or team help you grow (physically, mentally, spiritually)? If so, how?
3. In the video, three parts of your role in this group were mentioned: show up, join in, and be real. Showing is probably the easiest to describe—you prioritize attending this group. But how would you define "join in" and "be real"?
