COVID-19 UPDATE #10

30 June 2021

Dear Friends:

Effective July 1st, 2021, the Provincial Health Order restricting worship services is lifted.

For the Diocese of Caledonia, this means a closer return to normalcy for worship and ministry. We may gather without physical distancing and for fellowship and meals. We may gather for small meetings. We may SING! All instruments are welcome.

Out of respect for our neighbours, we will remain masked for worship. (The Premier noted that he will continue to wear masks in public as it is based on good science and a desire to be responsible for everyone's wellbeing.) Communion will remain in one kind only as well.

Other than those conditions, that's it. Please clean your worship spaces regularly, and wear masks while in the building. During fellowship hours and community meals, simply treat the space like a restaurant. Masks on while moving about, off while seated.

The lists of names for contact tracing for people who attended worship are all to be destroyed on or after August 1st.

If you have any questions or concerns, please contact me.

Yours in Christ,

The Right Reverend David TJ Lehmann,
Bishop
