

March Covid Updates

March 24th, 2021

No changes from last week. Please note that for meetings and training the same restrictions apply as for worship (up to 50% of a building's capacity with a maximum of 100 people). For detailed information go to: [Coronavirus \(COVID-19\): restrictions and guidance - Government of Nova Scotia, Canada](#)

Covid-19 Update: Prince Edward Island

Circuit breaker measures are in place until mid-April. These restrictions override all other existing sector specific public health guidance. For detailed information go to: [COVID-19 Post Circuit Breaker Measures: March 13, 2021 | Government of Prince Edward Island](#)

March 17th, 2021

Covid-19 Update: Nova Scotia - No changes from last week (although please note the error with respect to indoor gathering limits in last week). For detailed information go to: [Coronavirus \(COVID-19\): restrictions and guidance - Government of Nova Scotia, Canada Covid-19](#)

Prince Edward Island - Circuit breaker measures are in place from March 13th until mid-April. For detailed information go to: [COVID-19 Post Circuit Breaker Measures: March 13, 2021 | Government of Prince Edward Island](#)
