Bible Mystery #10:

All God's people have problems to solve and to help them grow in faith! These problems are like labyrinths. Noah's problem was that he had a barge to build that was big enough to hold eight adults and hundreds of animals, insects, and birds for almost a year! God gave him explicit instructions, which he followed to the letter! It saved his family and all the animals. They got to start over again after the Great Flood. Journey with Noah as he cuts that first board to make the ark, up until his family emerges and sees the beautiful rainbow.

Bible Mystery #11:

Understanding the Bible isn't always easy. Sometimes it's like the meaning is hidden to those who aren't interested, just like words in a word search are hidden! Read this passage about a famous Bible hero, then find the hidden words (highlighted in the text).

Genesis 9:12-17

And God said, "This is the sign of the **covenant** I am making between me and you and every living creature with you, a covenant for all **generations** to come:

I have set my **rainbow** in the clouds, and it will be the sign of the covenant between me and the earth. Whenever I bring **clouds** over the earth and the rainbow appears in the clouds, I will remember my covenant between me and you and all living creatures of every kind.

Never again will the waters become a flood to destroy all life. Whenever the rainbow appears in the clouds, I will see it and **remember** the everlasting covenant between God and all living **creatures** of every kind on the earth."

So God said to **Noah**, "This is the **sign** of the covenant I have established between me and all life on the earth."
