

1-Do it...God's Way

Titus 1:1-4

1. What insight, principle or observation from this week's message did you find to be most helpful, eye opening or troubling? Please explain.
2. Alvin mentioned that the Christian faith is based not in fantasy but in history. Why is this important? Why is it important that there is a realness to our faith that goes beyond just thought, worldview and belief but leads to action?
3. Read Titus 1:1-4. Verse 1 lays out Paul and what he is all about...furthering the faith of others. If that is the call of the Christian, how would you say you are doing in that currently.
4. Verse one also shows that our real, physical, historical faith shows up in real ways, it ends in increased godliness. Read Titus 2:11-12. How would you define that change to godliness mentioned here?
5. Alvin mentioned that the message of Jesus moves through people and relationships. Who moved it in you? How did they invest the faith into you? This week, send a note, email, or message thanking the person or people who built faith into you in significant ways.
6. If the message of Jesus moves through people and relationships, who are you moving it to today? How are you doing that? What could you do to become more intentional in 'your world' with the message of Jesus?
7. Pray for each other.
