

COVID PROTOCOLS for In-Person Worship

We will practice these procedures until the time comes we are able to enjoy our regular practices just as soon as possible!

Before Sunday

- Please assess your health before attending and stay home if sick. Dress warmly as doors and windows will be open for ventilation.

When You Arrive:

- You are required to wear a mask and sanitize hands upon arrival.
- Greeter will confirm that you: } are well and have no respiratory symptoms } have not been in touch with anyone with symptoms } have not travelled outside Canada in the past 14 days.
- Greeter will give you a bulletin which you will keep to take home
- Greeter will direct you to where you/your family are to be seated.
- NO SINGING without your mask on.
- Upon conclusion of service, please exit the Sanctuary and proceed directly outside maintaining physical distancing if you gather for visiting.

Communion:

- Bread only distributed.
- Usher will direct you when it's your turn to go up alone or with your bubbled partner up the center aisle to the celebrant and stop 6 ft away
- Please keep mask on.
- The host will be distributed at arms length and dropped into your ex-tended arms.
- Return to your seat by side aisle, be seated, remove your mask to eat the wafer, and then replace your mask.
- If you wish to receive a blessing instead, please cross your arms so priest will know and a blessing will be given with no physical touch.
