Message by : Pastor John

Pray for our Youth to have a heart that pants after God.

A fresh hunger for the things of God in 2019 for all.
Pray for China.

If you sense God has given you a message to share at church, please talk to Pastor before the service. If during the service, you sense God has something He wants you to share, please write it out as best as possible and hand it to an Usher, who will in turn approach the Pastor. It will be up to the Pastor whether it fits where he senses the Holy Spirit is leading him.

Encouragement Corner

Lamentations 3:22

It is the Lord's mercies that we are not consumed, because his compassions fail not.

Our Father God is dangerously merciful.
