The Pastoral Care Committee needs the help of the congregation.

One of St. Luke's congregants recently gave birth to a premature baby. The baby was born three months prematurely and is currently at the Dr. Everett's Chalmers Hospital in Fredericton. The parents do not have the funds to stay with the baby and do not have a car, so they are relying on family and the bus to get them to the hospital on a weekly basis. If you feel that you could donate something towards a fund for the transportation, please place it in the offering plate clearly marked "Transportation" and we will make sure that the funds are used for this purpose. You will be credited for this donated for tax purposes. God bless you for your faithful support.

"And do not forget to do good and to share with others, for with such sacrifices God is pleased."

Hebrews 13:16

An offering envelope will be available to you at the service, and you are encouraged to prayerfully consider donating to the care and maintenance of the Cemetery. A letter was recently sent to all on our mailing list with the details. It is hoped that this Memorial Service can become an annual event.
