Don't want to camp in a tent? Read further down, you have options if you like the outdoors and still want to join us.

We'll have a canopy situated on one of the sites so you can cook your meals if you like. Please clean up after yourself. This will be the site we meet at for campfires and meeting up for hikes or just hanging out together. It will also be where the pot luck will be held. Don't forget to bring something for the pot luck Saturday.

- Things to do: Hiking and Fishing. There's a boat ramp. If you want to rent a Kayak or Paddleboard you need to go to <https://paddleez.com/> to make a reservation.
- Just like last year, we'll do a pot luck on Saturday night so others who don't want to camp can join us. Cooper Lake is only 90 minutes away from Dallas.
 - Bring a dish to share
 - Bring your own drinks
 - Bring a chair
- On Sunday we'll either have it at the lake as we did last year or we'll caravan to Church and then back to camping after. I'm pretty sure, James will want to live stream it at the lake. It was so much fun last year!
- We break camp Monday before noon.
