THE CHURCH OF GOD OF PROPHECY

Vision Components:

The Church of God of Prophecy will be a Christ-exalting, holiness, Spirit-filled, all-nations, disciple-making, church-planting movement with a passion for Christian union.

Mission Components:

Empowered by the Holy Spirit, through prayer, we will plant churches and equip leaders to carry out the Biblical mandate to make genuine disciples of all the peoples of the world, to the glory of Christ our Lord, head of the Church.

CORE VALUES:

Prayer:

Prayer is simply the key to everything we need to do and be in life.

Leadership Development:

Leadership creates an inspiring vision of the future, motivates and inspires people to engage with the vision, and manages delivery of the vision.

Mission | Harvest:

Missional expresses the fact that God's mission ("Missio dei") is that which shapes and defines all that the Church is and does. God by His very nature is a missionary God and we are sent by Him to join in His Mission | Harvest.

Eastern Canada

Vision:

We will seek to develop vibrant reproducing communities of authentic disciples of Jesus Christ that will live and proclaim God's Kingdom in their world.

Mission:

We will endeavour to glorify God by mobilizing, resourcing and directing the ministry towards growth and development, so that we will be better equipped to become committed participants of God's own mission for the redemption of creation.

VISION COMPONENTS: Three Key Areas of Focus

Missional Living:

We will seek to embrace the incarnational aspect of the Gospel as the sent people of God and encourage an "every member" ministry as missionaries so that we will find engagement in our sphere of influence. This will include marketplace, and our communities, which will help to develop and produce vibrant reproducing Christian communities of Christ followers.

Leadership Development:

We will identify, train, and develop potential leaders, as we seek to establish criteria for transition in leadership. This will include existing leaders, prospective leaders, and emerging leaders. Our desire is to develop a multicultural, multigenerational Ministry.

Stewardship & Financial Stability:

We will continue to encourage and practice Godly stewardship as we partner together for the kingdom of God. We will strive to implement other income streams for the local and National church as we seek to glorify God with our time, talent, and our treasure.

Our desire is to ensure that all our decision-making processes within the Church of God of Prophecy of Eastern Canada, are filtered through our Vision and Mission so that Christ will be glorified in all we do.

Welcome and Greetings

Bishop Woodroe W. Thompson, M.Div & Pauline J. Thompson

*National Bishop & Administrative Assistant
Church of God of Prophecy (Eastern Canada)*

Welcome to the 57th Biennial Convention/Conference of The Church of God of Prophecy, Eastern Canada. It is with hearts overflowing with gratitude and thanksgiving to our Great God and King that we gather in this very unusual setting to offer Worship and Praise to our Saviour Jesus Christ. The past fifteen months has had a profound impact on our lives as the Covid-19 pandemic impacted all aspects of life, changing the way we work, worship, and socialize. All around us, whether it concerns the global pandemic, the economy, our finances, or relationships, much of what lies ahead in life remains uncertain. Fear and uncertainty can leave us feeling anxious and hopeless.

However, in the midst of our apprehensions and uncertainties, we can “Be joyful in hope” (Rom 12:12). In the Bible, hope always has to do with what God has promised, but which we have not yet received. In particular this hope refers to the “blessed hope,” which is “the glorious appearing of our great God and Saviour Jesus Christ” (Titus 2:13).

Our Theme, “The Best Is Yet To Come,” is a reminder that we are moving towards a new reality, we will be leaving the old sinful order of things, and will find ourselves in a renewed, restored, redeemed creation. In this life certain sorrows and perplexities are always with us, but we have God’s assurance that our present perplexities and sorrows will be gone forever.

In Revelation 21:1 we have a biblical description of a “New heaven and a New earth.” Revelation 21:4 promises that tears, pain, sorrow, and crying will have no place whatsoever in the new heaven and the new earth. This means perfect, uninterrupted happiness and peace. God’s people will dwell together with Him, eternally, free from the effects of sin, and evil, and God is pictured as personally wiping away the tears from the redeemed. It is difficult for our minds, which have never known anything but this sinful life with all calamities, misfortunes, adversities, afflictions, to imagine a world with absolute Joy and eternal blessings.

As we come together in-person and virtually this year in our 57th Biennial Convention/Conference, acknowledging that the past two years have brought unprecedented challenges to our lives, we rejoice in the hope of our Lord Jesus Christ, knowing that “The Best Is Yet To Come.” Jesus reminds us through the apostle John on the Isle of Patmos, “Behold I am making all things new” (Revelation 21:5). Join with us as we celebrate the Alpha and the Omega, the Beginning and the End in Worship, Praise, and Thanksgiving, anticipating, and knowing that “The Best That Is Yet To Come.”

Greetings from Bishop Sam Clements

How blessed we are to be enjoying this 2021 convention season! While this setting may not be what we are normally accustomed to; the Lord has offered us some special opportunities to connect as the family of God. Some of us will be blessed to meet and fellowship together in person, while others of us will connect using technology. No matter how we connect, we can be assured that when we invite the Spirit of the Lord in, He will show up to revive, refresh, renew, and ignite a fire in us to go out and win the lost for Jesus.

During this convention time, let us practice Psalm 96. Let us sing together a new song, declare His glory and marvelous deeds, give glory due to His name, and worship Him in the splendor of His holiness, because the Lord reigns!

Bishop Sam N. Clements

General Overseer

Greetings from Bishop Tim Coalter

North America General Presbyter

It's Convention Season throughout North America. Whether you are meeting virtually or onsite, Kelly and I are praying that you will be refreshed, encouraged and inspired throughout this convention. I have been attending conventions and assemblies since I was a small child, and they still excite me. There is nothing quite like feeling the wind of the Holy Spirit as it blows powerfully in meetings such as these or enjoying the fellowship of our church family as we reconnect and engage with one another. I hope you will take full advantage of all that God has for you during this special gathering. Praise God, It's Convention Time!

Guest Speakers

Sam N. Clements, *General Overseer*

Bishop Sam N. Clements was born in Stewart County, Tennessee. Raised on a small farm, he is well acquainted with the hardships of rural life. At age 12, he came to know Jesus Christ as Savior and Lord. He joined the Church of God of Prophecy in 1955.

At age 20, he accepted God's call into Christian service. He began full-time ministry as a licensed minister with the Church of God of Prophecy the next year and was ordained a bishop nine years after that during the 1972 International Assembly.

Bishop Clements' pastoral ministry began in Michie, Tennessee. He pastored in Tulsa (Verndale), Oklahoma, and spent a year in Michigan. From there, he returned to Tennessee to pastor Robert's Tabernacle and the Peerless Road Church in Cleveland.

Bishop Clements completed studies at the Church's Bible Training Institute (BTI) and was awarded an honorary doctorate from Kingsbury Bible College in recognition of his extensive and effective Christian service. He gained valuable ministry insights while serving with state overseers Bishops G. A. Wilson, A. J. Coalter, Omer C. Lawson, and Billy D. Murray.

As general overseer from 1990-2000, Bishop Murray appointed Bishop Clements as state/regional overseer to Arkansas, which later included Oklahoma. In 1998, Clements was appointed to North Carolina. He served there until he was recommended by his peers and selected by the International Presbytery as North America general presbyter. In this position, he gained further experience as he served with the six other general presbyters and for two general overseers, Bishops Fred S. Fisher Sr. and Randall E. Howard. Bishop Clements served in the worldwide administration of the Church for more than 14 years. Jointly with the other general presbyters, and selected by them as their spokesman, he operated in the Church's international governance.

Bishop Clements served the Church on state committees and as a member of Presbytery Working Groups (PWG), both internationally and for North America. The PWG were tasked with drawing up plans for the implementation of plural leadership in the Church's administration. In addition, Clements served on the Biblical Doctrine and Polity Committee and on the Administrative Committee (currently known as the Board of Directors). Bishop Clements has traveled widely throughout the United States, Canada, the Caribbean, Central America, Europe, Asia, and South America.

Guest Speakers

... *Continued from previous page*

On the morning of July 30, 2014, the Church's 98th International Assembly accepted (with the required one accord agreement) the nomination of the full International Presbytery (IP) for Clements to serve as general overseer. This acceptance followed an explanation of how the Holy Spirit, during the closing prayer session on July 29, 2014, worked among IP delegates to identify Bishop Sam N. Clements as, "leader among leaders" even though his name had not been previously submitted. The IP body had exhausted its usual process with the nominees presented and was unable to reach the one accord agreement that was required. Clements' selection (to which he submitted) was accepted in one accord by the IP group of the nearly 100 members present from around the world, amid tears and boisterous thanksgiving to God.

Bishop Clements' passion is to preach the Gospel of Jesus Christ and to help lead the Church of God of Prophecy to fulfill the Great Commission in greater measure and to reach every lost soul. A true visionary, Bishop Clements has challenged: "Let us go forth and do the work that Jesus Christ has called us to do. This is our time, our day—we must not miss what God is doing."

Bishop Clements lives in Cleveland, Tennessee, with his wife Linda Cathey Clements, whom he married on August 5, 1961. They were blessed with three sons: Greg, Gary, and Gerald, three beautiful daughters-in-law, and seven grandchildren.

ORAL ROBERTS UNIVERSITY

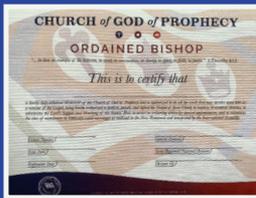

The Ministry Development and Training initiative is in partnership with Oral Roberts Bible Institute. Do you want to grow in the Word of God and in ministry? Then MDT is right for you. This program is designed to equip the ministry as well as laity to effectively minister the Word of God. At the outset of the training, candidates will be given an opportunity to take a Spiritual Formation, a course that will prepare each person to think about themselves in ministry in relation to others. The courses offered can be taken as a whole to earn a certificate, or as individual courses as your interest dictates. Students are also welcomed to audit to courses instead of going through the rigors or taking tests. Qualified instructors are always ready to help each student succeed.

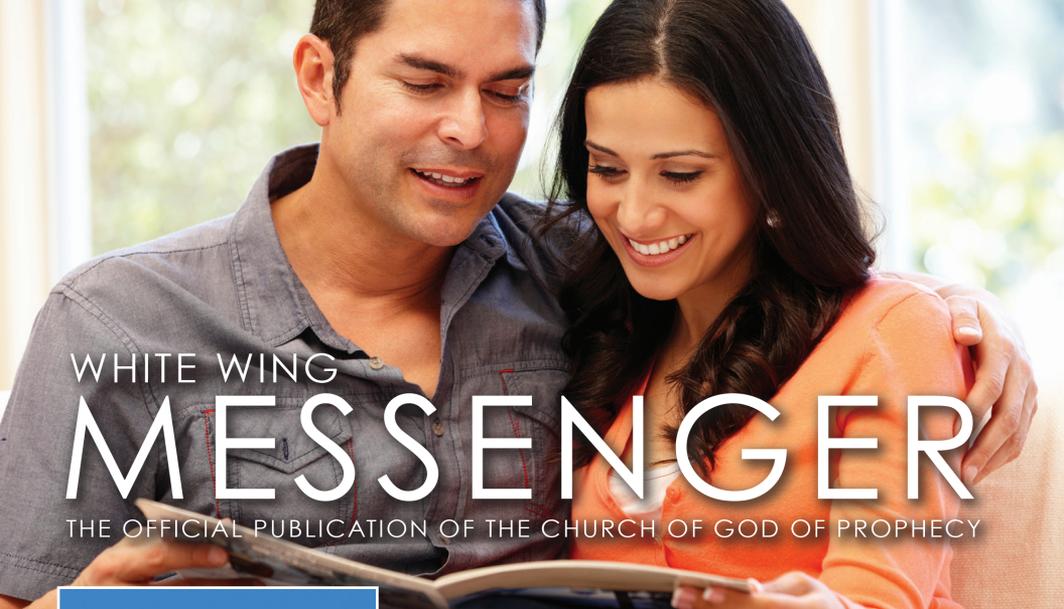

THIS IS YOUR TIME!

Greetings to you from the office of general overseer, Bishop Sam Clements!

We hope you are being enriched and blessed during your convention. We would like to invite all active ministers and bishops to renew your license if you have not already done so. **You may request the renewal form from your overseer and submit a recent photograph to their office.** After your renewal request is approved by your overseer, it will be our pleasure to create a new ID card and license certificate especially for you.
