*What's Happening!*

**Eight youth were blessed to be able attend Wilderness Camp in Lawson this summer; Madilynn Feece, Lily Feece, Isaac Lake, Lily Jacobs, Leah Lake, Logan Pate, Austyn, and Emmitt Arganbright! This was all made possible by our generous donors. Camps attended were Superhero's for Christ, Kingdom Builders, Astronomy Camp, Grand Camp, Sports Camp, and Footsteps! Each camp was packed full of fun activities and opportunities for spiritual growth. Some of the favorite activities of the children included, kayaking, the blob (ask a youth about this), water Olympics, 9 square, making smores and of course the worship was excellent! They are all eager to attend again next year, and I even heard some of the older youth discussing the opportunity to be counselors for the younger kids! Your continued contributions to the youth fund can be made by using online tithe.ly giving at <https://connecthvilleumc.org/give> or by making a check out to HUMC Youth! Your donations help to change lives! This is just one of many activities that your donations support.**

## Festival of Sharing 2021 News

**Festival of Sharing (FOS) is a cooperative response to hunger, poverty, and injustice in Missouri and beyond. It is governed by an ecumenical group of volunteers who support the planning, promotion, and vision of FOS.**

**This year the United Methodist Women (UMW) plan to support FOS through a monetary donation instead of assembling kits. We invite you to join with us in this effort.**

**If interested, please provide checks made out to United Methodist Women or cash donations to either Alice Law, President, or Kathy Bechtel, Treasurer. Or you may leave your donation in the UMW mailbox in the office. We then send a check to Missouri Annual Conference office in Columbia.**

**We will be accepting donations through the month of August. Together we can make a difference.**

# CHILDREN'S SUNDAY SCHOOL!

Children K-5th grade are invited to join us every Sunday from  
10:15am—11:00am for Children's Sunday School!

In Children's Sunday school we are continuing our series about what animals can teach us about God, Jesus, the Holy Spirit, our friends, our neighbors, and ourselves. Upcoming animals will include the kingsnake, ladybug, nightcrawler, owl, and more.

For more information contact Valerie Hawkins, [gavjhawks@embarqmail.com](mailto:gavjhawks@embarqmail.com)

**Thank you to everyone who donated supplies and their time to create teacher kits for back to school! The Night Owls were able to prepare over 80 kits for teachers and paras. This could not have been accomplished with out all of your generous donations!**

**Please Join the Night Owls August 19th at 5:30 to help with assemble tic-tac-toe games for OCC shoe boxes!**

**The Mission U trip was a great success! Maddie's class was about learning to be peacemakers and she was excited to make a new friend. The older youth talked about how to respond to violence in a peaceful way. The adults all together in one class discussed "Finding Peace in an Anxious World". Chris shared a bible verse about peace. All who went participated in a mission walk to raise money for the Legacy Fund, to provide endowment for future generations of United Methodist Women. Everyone had a great time together. See more pictures of Mission U on the cover.**
