To respect privacy, prayer requests can only be printed if they are made by the person named or by a member of their immediate household. Someone who has received permission from the named person may also submit a request. Person for whom a concern is well known may also be named (i.e. the family of someone who has recently passed away).

For concerns that emerge mid-week, a Prayer Chain has been established. You may initiate the chain by calling Rev. Hollister or Jeff Warren at the church office at 570-587-3206 or by emailing the office (office@countrieside-church.org). You may then indicate whether you want the concern published or kept private within the prayer chain.
