

As We Gather At Your Table

As we gather at Your table As we listen to Your word
Help us know O God Your presence
Let our hearts and minds be stirred
Nourish us with sacred story Till we claim it as our own
Teach us through this holy banquet
How to make Love's vict'ry known

Gracious Spirit help us Summon other guests
To share that feast Where triumphant Love will welcome
Those who had been last and least There no more will envy
Blind us nor will pride Our peace destroy
As we join with saints and angels To repeat the sounding joy

The Church's One Foundation

The Church's one foundation Is Jesus Christ her Lord
She is His new creation By water and the Word
From heav'n He came and sought her To be His holy bride
With His own blood He bought her And for her life He died

Elect from every nation Yet one o'er all the earth
Her charter of salvation One Lord one faith one birth
One holy name she blesses Partakes one holy food
And to one hope she presses With every grace endued

'Mid toil and tribulation And tumult of her war
She waits the consummation Of peace forevermore
Till with the vision glorious Her longing eyes are blest
And the great Church victorious Shall be the Church at rest

Yet she on earth hath union With God the Three in One
And mystic sweet communion With those whose rest is won
O happy ones and holy Lord give us grace that we
Like them the meek and lowly On high may dwell with Thee

Though with a scornful wonder Men see her sore oppressed
By schisms rent asunder By heresies distressed
Yet saints their watch are keeping Their cry goes up how long
And soon the night of weeping Shall be the morn of song

God Is For Us

We won't fear the battle We won't fear the night
We will walk the Valley with You by our side
You will go before us You will lead the way
We have found a refuge only You can save

Sing with joy now our God is for us
The Father's love is a strong and mighty fortress
Raise your voice now no love is greater
Who can stand against us if our God is for us

Even when I stumble Even when I fall
Even when I turn back still Your love is sure
You will not abandon You will not forsake
You will cheer me onward with never ending grace

Sing with joy now our God is for us
The Father's love is a strong and mighty fortress
Raise your voice now no love is greater
Who can stand against us if our God is for us

Neither height nor depth can separate us
Hell and death will not defeat us
He who gave His Son to free us
Holds me in His love (2X)

Sing with joy now our God is for us
The Father's love is a strong and mighty fortress
Raise your voice now no love is greater
Who can stand against us if our God is for us (2X)

Plans

From the breaking of the daylight
Help us see the world through Your eyes
Finding beauty in the broken
Trusting promises You've spoken

You've got plans to give us A future and a hope
We are not forgotten We are not alone
Plans to lead us home into Your heart
You are always with us Everywhere we are

You stay loyal for a lifetime
Through the shadows and the sunlight
When our worries overtake us
We believe that they won't break us

You've got plans to give us A future and a hope
We are not forgotten We are not alone
Plans to lead us home into Your heart
You are always with us Everywhere we are

On and on Your love will never stop
Shining down upon us Never letting up
On and on Your love will see us through
Even in the shadows We will trust in You

You've got plans to give us A future and a hope
We are not forgotten We are not alone
Plans to lead us home into Your heart
You are always with us Everywhere we are (2X)

On and on Your love will never stop
Shining down upon us Never letting up
On and on Your love will see us through
Even in the shadows We will trust in You

Even in the shadows We will trust in You (2X)
