MEET THE YOUTH PASTORS

Josh joined our staff in the summer of 2018. He and his wife, Caroline, have three children: Sophie, Charlotte, and Greyson. Here at Southside Josh does a host of different things, but he primarily works with middle and high school students, leading our youth services and building quality Christian relationships with students. Josh enjoys living out God's call on his life by working with young people. One of his favorite Bible verses is Prov. 22:6 which says, "Train up a child in the way he should go; even when he is old he will not depart from it." Josh is passionate about preaching the Gospel.
