Haiti Hoping & Praying for Peace & Safety

This has been a very difficult year for the people of Haiti. Gang violence, robberies, and kidnapping unfortunately became all too normal. As most of you know the president was assassinated by a large mercenary gang and the investigation is still ongoing. For the first few days confusion reigned as two people, previous prime ministers, vied to be named the new president. That contest has now been resolved and we hope and pray that the new president will quickly organize new elections.

And now the southwest part of the country has been devastated by another major earthquake. Thousands killed, missing or injured. While Tytoo and the immediate area have not been affected we pray for all who are suffering loss, front line workers, and the churches as they minister in a difficult time.

In spite of the political chaos and frequent closings, the school was able to finish the year. Examinations were completed and most report cards have been obtained for those who sponsor children. Those we have been able to obtain will be mailed out shortly.

Inflation continues to challenge the Haitian people and the country remains the poorest nation in the Western Hemisphere. Poverty often results in parents attempting to place their children in orphanages so that they receive meals and are able to attend school.

At Tytoo we try to help families keep their children at home through programs like Starfish and the School sponsorship program, but sometimes the circumstances are such that our orphanage is the best option. This was the case recently when these four year old twin boys, whose mother recently died, became part of our Tytoo family.

We are hoping and praying that God will touch someone's heart to sponsor these boys.

Many Charities Experiencing Reduced Support!

The covid season has impacted many people and organisations in a variety of ways. One such impact is the reduced support being experienced by many charities including Tytoo. Not only is direct donor support down but the covid rules have effectively curtailed many traditional fundraisers such as dinners. We have reduced our operating costs as best we can but we still have major challenges.

Tytoo has been blessed for several years not with abundance, but with sufficiency, as our supporters have appreciated the various ministry initiatives and given generously as the Lord laid on their hearts. We are trusting the Lord for ongoing sufficiency as we look to him and implement fundraising activities that are still doable.

One such initiative is taking place in the form of a sponsored hike. Three ladies from the Sauble area, Kathy Hauer, Nicole Nickason, and Jean Higginson have taken on the challenge of a 30km hike along the beautiful Bruce trail from Skinner's bluff to Wiarton and are inviting all Tytoo lovers to consider sponsoring them. If you wish to do so please contact Kathy at 519 422 1437 or kathy@saublechurch.ca Perhaps you would consider a fund raiser initiative of your own. It would be greatly appreciated .

If you help the poor, you are lending to the LORD— and he will repay you!
Proverbs 19:17

Thank you for your continued support for Tytoo. We, like all charities, are experiencing reduced contributions so your willingness to help is appreciated more than ever.

David Oppertshauer, Canadian Director
