ADULT LEADERS NEEDED

Based on the number of students who register to go, it is likely we will need adults to serve as leaders on this trip. Adults pay the same registration fee as students and join in the process of fundraising and team building leading up to the event. But know that your life of faith will be as impacted by participating! It's well worth the investment of time and energy and you get to meet some amazing young people on the journey! If you're interested in being an adult leader, please reach out to Pastor Becky.

FUNDRAISING MEETING

Students planning to attend the gathering along with one parent are asked to attend a fundraising meeting on Sunday, October 3 at 11 AM to establish our fundraising plan to get to the gathering. Please bring your calendars!
