## THRIVING IN UNCERTAIN TIMES - Guest Speaker: Cam Aitken

### Warm Up

Think back to the earliest days of the pandemic—what was the one thing that seemed most uncertain for you? How did this make you feel?

### Read

Matthew 4:4; Matthew 7:24-27; Psalm 40:2

### Main Idea

In uncertain times we need to continue to 'eat' God's word, put our feet on the solid ground of Jesus, and remember that it is God who is working—we are responding to his work.

### Questions for Discussion

1. Do you find it easier or harder to seek God when you are going through difficult or uncertain times? Why do you think that is?
2. How have you experienced God's provision and closeness in a difficult time? Or, maybe you haven't experience that—have you ever felt abandoned by God?
3. How do you pursue God when things are uncertain in your life? What has 'worked' before and what has failed?

### Application

How will you respond to God's work in your life during this season?
