

PASTORAL CARE MESSENGER

Christ Church Cathedral Ottawa, August 2021

Unity by Yasaman Mehrsa

This piece of public art sponsored by Canadian Heritage as part of its Art in the Capital program can be seen at the Plaza Bridge steps linking the Rideau Canal and Confederation Square.

“The houses represent humans and the pathways represent nature, but together they symbolize unity, among ourselves and with nature. The houses gradually increase in number starting from a single house at the bottom, showing the connection between the individual and the community. This colourful and playful image is not meant to look realistic, but rather to suggest an idea of unity that can be found anywhere, in the past, present, and, most important for us, the future.”

As we come to the end of the summer I would like to send you all blessings for a safe and healthy August and September. I pray that you will be reunited with family and friends. As things continue to open up I am beginning to schedule face to face pastoral visits. If you would like a clergy visit please contact me at the Cathedral: 613-236-9149.

Blessings,
Canon Hilary

O Thou kind Lord! Unite all. Let the religions agree and make the nations one, so that they may see each other as one family and the whole earth as one home. May they all live together in perfect harmony.

If you need to speak with one of the clergy, please don't hesitate to contact the cathedral at 613-236-9149.
