

8.24.2021 | UNTIL UNITY | INTRODUCTION

What We Heard

Humble people who tremble at His word
G-d is disgusted with our behavior
Humility and repentance
Most divided faith group – no close 2nd
Political division
Grace G-d gives us, tolerance
Nothing more important than worship Him
Wise enough to start in praise
Behavior not impressing the lost
Crucified to end our division – ONE
We have invested more in learning than loving
Lack of praise – greatest source of division
Worship of Jesus
Tremble at scripture
Possessing a truth
Problem is our heart
Not connected to the Spirit
Does truth move us?
6 things the Lord hates
People in impossible situations
What picture of G-d are we showing to the world?
Do we resemble Jesus?
Humbling, repentance, suffering

Our Reaction

Inadequate
Pride needs broken
Unworthy
Moved to tears
Perspective
Apologized
Learned behaviors – unlearned
How much am I willing to sacrifice?
G-d wanting relationship
Give up pride and self-righteousness
SIMPLE
Trembling
Bearing one another's burdens in love
Listen
Commanded to LOVE

How We Need To Change

Spirit led conversations
Start in prayer
Help me love
LOVE
Set reminders to praise
Who is Jesus?
What does it look like to follow Him?
Get in the word
Not just an hour a week
Pray for other churches in our community
Partnerships
Unity
Urgency to share the Gospel
Language we use
Start in praise
Start small
