Centering Prayer

Centering Prayer is a practice of contemplative silence. Its purpose is to develop comfort and ease with reaching inward, listening to heart, opening to spirit.

We have several centering prayer communities that meet at various times through the week. If you're interested in joining one, please contact:

Thom Davies, thom.davies@me.com
or Lynn Godfrey, lynn.godfrey79@gmail.com.

Help make sure that new moms and babies in Mozambique have the safest birth possible by supporting the installation of solar suitcases in rural health clinics without power.

You may remember that the bright yellow cases are mounted to the clinic wall and are then connected to a solar panel on the roof. The suitcases can power up portable lights, head lamps, a fetal Doppler and even charge cell phones.

Thanks to the generous support of donors, PWRDF is nearly 50% of the way to its goal of raising \$100,000 in matching funds by September 30th.

This means every \$1 donated = \$2 more Power !
