

# Church of St. Aidan Renovation Update #21

August 30, 2021

- Work continues on the garbage enclosure on the east side of the property.
- Old NW doors have been sealed and will be replaced by louvers to allow for venting.
- Terracing has been reinstated in the west garden.
- Drywall and fire-rated ceilings are almost complete in the basement.
- Abatement is complete in the chapel and walls have been opened for additional support for the mechanical platform lift.
