- **POETRY OF THE HEART—TUE SEP 14, 7-8:30pm.** Led by Lolla Devindisch. Bring a poem to share that is close to your heart and expresses the essence of that which you love or for which you search. A poem that makes you wish you had written it yourself! Or simply come to hear poetry that matters to others.

- **CELEBRATING AGING—TUE SEP 21, 1-3pm (rescheduled from MAY 25).** Led by JayaLynda Cole. The later adult years can be a time of profound personal and spiritual evolution, and of contribution to society. Aging has come out of the closet and is being redefined. JayaLynda Cole will guide participants in a personal reflection of aging as a catalyst to meaning, purpose and self-transformation, where soul lessons may be harvested from one's own experience. Connect with your own source of guidance and inspiration along with others on a path to deeper wisdom and a richer experience of life. Attendees of the first session are welcome, as well as newcomers.
