

As your pastors, we pledge to you today, September 11th, 2011, before God, to give you our very best. To love and cherish each one of you in sickness and in health, for richer for poorer and to serve you with everything we have been given. Our desire is that we “LIVE LIFE TOGETHER”, to be real, and to be connected heart-to-heart to each other and to the heart of God as we embark on this marvellous journey as RIVERSIDE COMMUNITY CHURCH.

Why does knowing Riverside's DNA matter?

- It helps give context to the 'hows & whys' of Riverside.
- It places you in a better position to receive from God and us.
- It clarifies why God placed you here (2 Peter 2:5).
- It assists you in identifying yourself in us an dour story (1 Corinthians 11:1).
- It empowers you to fully invest in Riverside's vision and mission.
- It grows confidence and trust to travel along with the community.
