Parish Selection Advisory Committee - We Need Your Help!

A picture is worth a thousand words...and the same is true of photos. As we continue to build the content of the Parish Profile, we need your help. If you have photos of life at the Cathedral, please consider sending them to us by email. We need photos which are a minimum 300dpi and preferably with people busy at the Cathedral on all kinds of occasions. By sending us your photos you are agreeing to their possible publication in the Parish Profile which is a public document. We won't identify specific people, but many will probably be recognized. If there are children in the photo, please make sure their parents are comfortable with their image appearing.

Please send the photos to Paul Robertson at porobertson@gmail.com
and Harold Redekopp at haroldredekopp1@gmail.com.
