**KAC History Celebration Weekend**  
(Legacy Video)

You can rewatch the video online at [www.kamloopsalliance.com/sermons](http://www.kamloopsalliance.com/sermons)

**The BIG IDEA:** God has been faithful in using Kamloops Alliance Church throughout the years.

**The Challenge:**

In a trying season, how is God being faithful even today? How does God want to use KAC in this season of unrest? How does God want to use you in these challenging days?

**Prayer for this Message:**

We pray that God would use our church's history to inspire greater things in our church's future.

**Icebreaker Question:**

- Share a memory you have from your involvement in KAC in the past?

**Questions for Discussion:**

1. How have you seen God at work in KAC?
2. Share of a time when you saw God at work in your own life through ministry at KAC (think about the people as well as the organization).
3. How does thinking about God's work in the past encourage you for the future?
4. What are some dreams you have about God's impact through KAC in the future?
5. How might God be calling you to be a part of God's continued work through KAC?
6. Finish with a time of prayer, below are some prompts:
  - Pray for the elders, Pastors, and staff of KAC
    - In particular, pray for wisdom, discernment, and creativity as the church navigates this tumultuous season.
  - Pray for God's transformative work even during a pandemic.
  - Pray that we would know God and make Him known.
  - Pray for the dreams that were expressed in the discussion.
  - Praise God for all the good things he has done through KAC.
