

Church of St. Aidan Renovation Update #23

Sept. 24, 2021

- The building handover date has been pushed back due to unforeseen delays. We are hopeful that we can move back in before Christmas
- Trees, flowers, and grasses are being planted on the north side of the property.
- Permeable pavers are onsite for the driveway.
- Kitchen cabinetry is being installed.
- The lower level bathrooms have been tiled. The tray for the fully accessible shower is visible below.
