

October Reading Plan

Proverbs 31 woman study
"Who can find a virtuous
woman? for her price is far
above rubies."

I am excited to start a new month in our bible reading plan. Along with our bible reading, I have found a study on the Proverbs 31 lady. As we all strive to be more like this ideal lady written in the scriptures, this month we will look more closely and learn about this lady. I will briefly try to help you understand how this study works. The bible reading plan will be structured the same, but this study on the Proverbs 31 lady will be new to us.

I would encourage you to:

- Start in prayer for your day. Asking the Holy Spirit to speak to your heart in the Scripture.
- Each page in this study contains a days worth of study.
- Start each day with the writing plan at the top of the page on the space provided.
- I would encourage you to look up verses that are similar to our Scripture of the day.
- Then, verses have been chosen to go back and define. Recommendations are to use Websters 1828 Dictionary or a Strong's Concordance to help you define the terms.
- Each days work will end with a few questions for you to stop and consider. Take the time to really thing about the questions and try to answer them all.

This was bought and downloaded through running redeemed, a KJV believing mother who gives study helps monthly. Please ask me any questions, and I will be glad to explain more.

In love and prayers,
~Mrs. Leslie Barker
