Text: Exodus Chapter 19-20

1. In Exodus 3:12 the Lord said this to Moses. *"I will certainly be with you. And this shall be a sign to you that I have sent you: When you have brought the people out of Egypt, you shall serve God on this mountain."* Why do you think God gave this as a sign to Moses?
2. In Exodus 19, God demanded that the people take serious precautions before He came to them. What, if any, precautions should we take before entering a time of worship today?
3. Are we bound to the law's presented in Exodus 20 in the same way that Israel was? Can you support your answer with scripture?
4. The people responded to the giving of the law with fear, asking for Moses to be their mediator. What is a mediator? Are we still in need of a mediator today?
5. The first commandment is that Israel was to have no other gods before Yahweh. In 20:22-26 He affirms His desire. What are some things that people in our time place above Yahweh? Do you see this happening in our world? Within the church?
