As You Pray

Michael Clark's sister **Theresa** has COVID-19. Her daughter is also sick and her grandson (1) is being treated for RSV. Prayers for the family appreciated.

Kyle Grantham is experiencing concerning swelling and pressure near the site of his recent surgery. If rest doesn't resolve the issues he may have to return to Lexington for treatment.

Karen Grantham asks that we be praying for their infant grandson **Preston Staples**. He will be needing a swallow study in the near future requiring anesthesia.

Lue Spencer's twin sister, **Alice Sue Summers**, is undergoing treatment for cancer.
