Dear Friends,

I am writing to let you know about an opportunity to strengthen your congregation's connection to the ministry that is happening in Winnipeg's inner city through 1JustCity. Starting in November, we will be offering a 12 session course called *Let Justice Flow*. This will be an opportunity for participants to further explore discipleship and mission through learning in community, biblical study, theological reflection and volunteering at 1JustCity sites..

We are asking United Church and Anglican congregations, whose support launched this valuable work, to sponsor one person from among their membership to journey with us in this course. This person will bring their learnings back to the congregation by planning a project for their church. The project could be worship related, educational or action oriented. There are numerous possibilities.

The cost of the program is $250. This is to cover space rental, food and guest speakers.We are also hoping to bring in the Brandon Residential School Display during Lent. We have applied for a grant with the United Church Foundation's Seeds of Hope Program that, if received, will enable us to refund the $250 for you to use towards whatever project is planned for your congregation. We hope to hear news of that later in the Fall.

I am enclosing a pamphlet with more details about the program. You can also learn about it by going to https://www.1justcity.ca/letjusticeflow. The deadline for registration (by email, website or Canada post) is October 15th and we are limiting the group to 12 people.

Please pass this information on to those who might be interested or to those you know would be well suited for this type of opportunity. For any questions please contact me at lynda@1justcity.ca

Blessings,

Lynda Trono
Community Minister
