Thank You

Broadway Family,
Thank you for all the cards, texts, and messages following my treatment change and adverse reaction. I am on the mend and thankful for you all for lifting my spirits while recovering.
With Love, **Courtney Brown**

Thank you so much for partnering with Paducah Power System and the American Red Cross to host the 15th annual Power for Patients blood drive. We had two strong days of support from area blood donors helping us provide 172 units of blood for patients in need in our community. We greatly appreciate being able to use your facility. It offers a great space, in a great location. Thanks so much to your congregation for helping us with this important event. We hope to partner with you again.
