As You Pray

Sophie Hadfield, granddaughter of Randy and Donna Hadfield, is in Haiti with a group from the Clear Creek church of Christ in Chattanooga. Early Wednesday morning the Haitian President was assassinated in Port au Prince about 100 miles from where they are doing a VBS and medical mission. Prayers for the people of Haiti, a stop to the turmoil and violence, and for the whole group to get to complete their mission & return safely to the States are appreciated.

Kayla Irick asks that we be praying for her childhood friend **Angie Weems**, **her husband Chad**, and their family as they mourn the passing of their 2-year-old son, Ben, following an accident at their home Wednesday, June 30th.

DEADLY BLACK FUNGUS

Many have asked about the deadly black fungus infection that is rampant in India. This is occurring in patients who have recovered from COVID. Exact cause is not known at this time but it is manifesting as Pulmonary (lungs) Mucormycosis and Rhino-Orbit-Cerebral Mucormycosis (nose, eyes, and brain). The rate of mortality is over 60%. This has caused deaths among many thousands of individuals who have recovered from COVID both children and adults alike. In some cases, we had to remove the eyeball with Black Fungus in order to stop it from spreading to the brain. Your prayers and support as we combat this infection and the continuing horrors of COVID-19 are so very appreciated.

FOUR GENERATIONS OF SALVATION

What an awesome day it was, Wednesday, to witness four generations of ladies in one family be immersed for their remission of sins. Please pray for them and their new life in Jesus. Thank you for partnering with us in helping them come to know the Truth.

Yours in Christ, Mani
