As You Pray...

Fleda Crosno, Bob Crosno's mother, has developed a blood clot following her second ankle surgery.

Brianna Grantham delivered via emergent c-section Monday, April 25th. She is home and doing well.

Kyle Grantham had surgery Friday, April 23rd in Lexington to tackle a benign brain tumor. The recovery will be a long process dealing with hearing loss and disruption of balance.

Wilma Mullen fell, fracturing her collarbone. It's a small break that should heal with a few weeks in a sling.

Vonceil Enlow's brother, **George Hoyt Wade**, has recently had surgery leading to the discovery of advanced brain cancer.

Continue to Remember:

Mary Alice Anthony, JC Curtis, Melissa Curtis, Ann Furr, Trudy Helton, Tony Henderson, Kayla Irick, Alex Johnson, Penny Korte, Michael Miller, Bill Osborne, Greg Smith, Max Thompson, Joy Vo, Evelyn Walquist, Marvin Wilson

Congratulations

To Brianna Grantham on the birth of **Preston Lee Staples**, Monday, April 26th weighing 6 lbs., 14 oz., and measuring 19 in. long. His arrival was a bit early so he will be in the Baptist NICU for the next 5 weeks or so to allow his lungs to develop. Mom is doing well, and grandparents Kyle & Karen Grantham and great-grandmother Lucrecia Glisson are overjoyed.

Missions & Outreach

Bread of Life Humanitarian Effort

COVID-19 has certainly changed how Bread of Life is able to work, but their mission remains the same. Kits are assembled as it is safe to do so!

Hygiene Supplies Needed: Shampoo, Conditioner, Bars of Soap, Washcloths, Combs, Hairbrushes, Disposable Razors, Shaving Cream, Small Packages of Feminine Products, and Deodorant.

India Missions - Mani Pagidipalli

Mani Pagidipalli asks for our fervent prayers for the situation in India. Five of the teachers who work with Mani, along with their families have the virus and are on the sidelines. The death toll and new case counts continue to dramatically rise. People are dying from disease and desperation for food, medicines, etc. Saturday alone 30 people were brought to the hospital with extreme respiratory distress and not a single one was admitted to receive treatment of any form. These 30 died at the doorstep of the hospital.
