

Truth & Reconciliation Workshop

*with Tammie Myles, MA, Innovative approaches to Aboriginal education
and training*

This session will give an overview of History, Colonization, and Residential School to set the tone for “now what”. Discussion and experiential exercises will help us to recognize our own limitations, biases, and barriers for implementing transformation with an expanded knowledge base. Moving forward requires each of us to be personally responsible for our perceptions and actions.

Saturday, October 28 (9:30 – 2:30)
