

Be still. Be quiet. And listen. All will be well.

These are the words that the Reverend Daniel Gordon Ash lived by, and the words that comfort us in his passing. On Thursday, 9 September 2021, Dan died, age 74. He devoted his life to the Church. His skills and passions were to support those seeking spiritual direction in all stages of life. Dan lived for his wife Barbara of 54 years, children Sean (Daphne), Christine (Timm) and their extended German family, and his much-loved grandchildren Mathilda, Madeleine, and Dryden. He cherished his deep and lasting friendships. Dan's siblings, Ted (Betty), David (Linda) and Carol (Bob) in Winnipeg MB, and his pre-deceased brother James' family in the Netherlands, all of whom are loved familial roots.
