## **"Compassionate Father"**

Passage: **Psalm 103:8-14**

- (1) The Injustice of God's Grace [v9-10]
- (2) The Immensity of God's Love [v11-12]
- (3) The Insignificance of our Strength [v13-14]

Q1: Do I seek excuses to vent anger, or to show grace?

Q2: Will I centre myself on the immensity of God's love?

Q3: Am I the small child before the compassionate Father?

## Prayer Items:

1. Pray for the upcoming "Family and Children's Ministry" in person gatherings and activities. May the Lord move brothers and sisters' hearts and call them to serve the children. Pray for the parents' readiness to bring their children back to church and the children adaptation to joining in person programs again.
2. In this coming flu season, pray for God's protection to the seniors and the health compromised against the virus. May God grant everyone good health, peace and stay physically & spiritually strong.

- Julie Su will take days off on Oct 17 & 18.
