Your Church and  
**God's Word in Audio**

Working together to fulfill  
the Great Commission

**Faith Comes By Hearing's goal** is to work in partnership with your church to record and freely provide God's audible Word in every language that needs it by the year 2033. The mission: God's Word in audio. The vision: to, at last, fulfill the Great Commission.

We call this global movement of the Word

**Vision 2033.**

Faith Comes By Hearing invites you and your church members to join the more than 400 national and international partnerships giving crucial access to God's Word during these pivotal moments in world history. We're working together and getting the job done.

**Why Audio**

**70%** of the world's population live in oral cultures. That means 5.7 billion people need to hear the Gospel in order to understand and accept it.

**1.5 billion** still do not have access to God's Word in a format that they can understand and engage.

**Vision 2033 Results**

A New Testament recording in the heart language of 99% of the people in the world.

At least a portion of Scripture recorded for the remaining 1% of people in their heart language.

At least one Gospel Film in the heart language of everyone in the world.

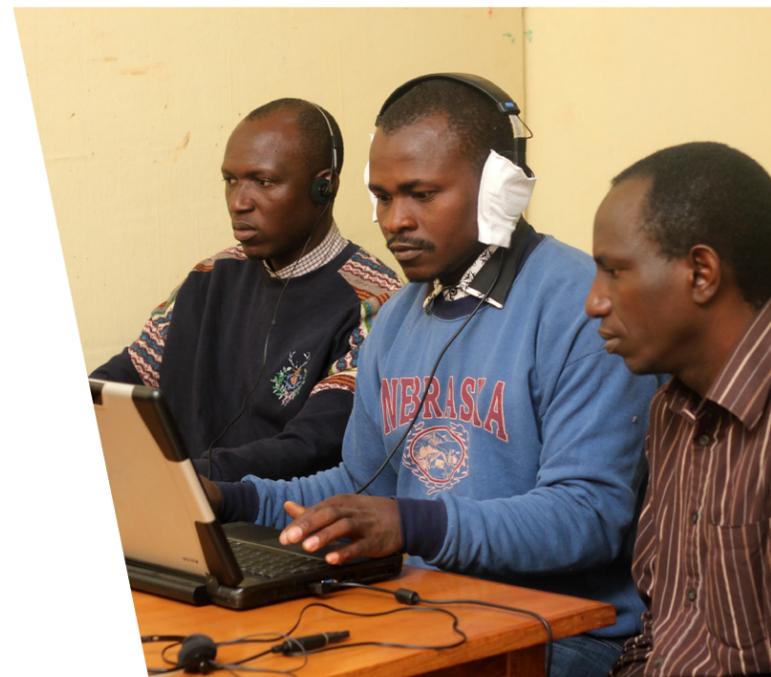

Audio and Video Scriptures freely available to every person on Earth.

**Current Needs**

In order to tenaciously pursue the fulfillment of Vision 2033, this fiscal year's immediate needs are:

- 100,000 Bible listening programs
- 140 Scripture recordings in new languages
- 23 new Oral Bible Translation projects
- 275 Gospel Films adapted into new languages

**Financial Sense**

Forty-eight cents of every dollar contributes to vital Audio Bible recordings. Fifty-two cents of every dollar is used to provide Audio Bibles through listening programs. Gifts made to Vision 2033 allow us to respond to emerging, urgent needs.

*Examples of immediate need:*

**Asia**

Recording an Audio Bible in the Malay Ambonese language of SE Asia. Implementing 8,403 Audio Bible listening programs in East Asia.

**Africa**

Recording an Audio Bible in the Gola language of West Africa. Implementing 31,000 Audio Bible listening programs across the continent.

**Americas**

Recording an Audio Bible in the Mazateco de Ayautla in southern Mexico. Implementing 7,000 Audio Bible listening programs across Latin America.

**Pacific/Oceania**

Recording an Audio Bible in the Moni Language group of Indonesia. Starting 24,000 Audio Bible listening programs across the islands of Pacific/Oceania.

**MENA/Eurasia**

Starting 5,000 Audio Bible listening programs throughout North Africa and Eurasia.

This is it. The final sprint. The Great Commission completed in our generation.

Would you and your church join us in the quest to eradicate biblical poverty by providing access to God's translated Word through audio recordings, Gospel Films, and free listening programs?

God's Word in audio for

**the displaced.  
the oral majority.  
the world.  
entire villages.  
the downtrodden.**

## Together, we are called.

Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age.
