Centering Prayer

Centering Prayer is a practice of contemplative silence. Its purpose is to develop comfort and ease with reaching inward, listening to heart, opening to spirit.

Several centering prayer communities that meet at various times through the week are available. For more information please contact:

Thom Davies, thom.davies@me.com
or Lynn Godfrey, lynn.godfrey79@gmail.com.

Ride for Refuge Donations

Let's help our diocesan team "Rise and Shine" meet its goal!

Donations raised will support PWRDF's "A Light for Every Birth" a project, providing solar suitcases for rural medical clinics in Mozambique. Each solar suitcase includes items which will ensure light for every woman giving birth.

Our Diocesan Representative, Kerry Lubrick, and her team have raised over **\$3,500** towards the ambitious goal of **\$11,600** – enough to purchase **two** of these lifesaving solar suitcases.

**Donations towards this initiative are being accepted until October 31, 2021.
To support our team, click on the "Make a Donation" button below!**

My story

Last week's reflection on gratitude pointed out that it's sometimes hard to be spontaneously grateful for God's gifts. One useful tool to nurture our spiritual and mental health is the practice of keeping a gratitude journal. [Click here](#) for some information from the Greater Good Science Center at UC Berkeley on how to do this effectively. What a great way to focus our prayers of thanksgiving!
