

COVID-19 Guidelines

For the safe reintegration of youth and kids summer activities.

- 📌 Please note that in all activities we will be avoiding closed narrow rooms.
- 📌 Activities will preferably take place outdoors and/or church gym.
- 📌 Gym (indoors) activities will consist of verbal interaction therefore there will be no running or physical contact. The more “active” activities will take place outdoors.
- 📌 Entrance and exit to and off the building will be clearly mark; With-in the building there will be signals marking the traffic direction and the 6 feet separation distance. We will be providing sanitation stations for the disinfecting of their hands.
- 📌 Questions about “recent fever” or “new cough” will be asked at the entrance by a volunteer.
- 📌 There will be signs at the entrance clearly advising of:
 - 6 feet distancing.
 - No hand shaking and no hugs.
 - The requirement of a non-surgical face mask.
 - If they have been sick or feel sick or if they have come in contact with someone that is sick for them to please stay home.
 - To disinfect hands before entering to the building and regularly washing their hands while in the building.
- 📌 For activities not at the church, transportation will **not be provided**. Parents will have to dropped off and pickup their students at a previous determined location. **All the previous precautions will continue to be observed**
- 📌 There will be no food sharing. If a snack is provided, it will have to be “individually packed” and in-store purchased. If water is provided, it will have to be “bottles of water” and in-store purchased.
- 📌 All activities will be clearly detailed to parents in advance. Only with their authorization kids and underage youth should be able to participate.
