ABOUT US

OUR VISION

We Do Missions by serving as a safe, secure and simple bridge between donors and native pastors.

OUR MISSION

Provide spiritual leadership and development to pastors serving in the world's hardest places, while providing professional back office services to support their calling, mission and vision, while providing tax deductible giving opportunities to their donors and prayer partners.

OUR VALUES

We value being called by God and led by the Holy Spirit while serving native pastors and donors. As a ministry we put high value upon loyalty, honesty, and integrity in all of our dealings with our field partners and donors.

"We Do Missions!"
CIRCA 1991

OUR HISTORY

Our ministry began in 1991 as a missions agency, Mission Del Caribe, with a youth camp in Honduras and facilitating mission trips for U.S. college and youth groups. In 1999 we became Mission Del Caribe 501(c)(3), an official U.S. based non profit ministry. Our focus was on evangelizing and serving Eastern Honduras where we participated in the establishment of many ministries that are active and working today successfully in Honduras. We responded to Hurricane Mitch with over \$1 million dollars in relief aid, rebuilding and spiritual support aid. In addition we have responded to earthquakes in El Salvador, Hurricane Katrina in Louisiana with extensive relief and reconstruction aid. Ronnie E. Carter served as our President and Wayne Gaines served as our Vice President for about 2 decades.

We are honored to
have you as a Field
Partner or as a Donor
in support of this
ministry or our Field
Partners.

OUR HISTORY

Our mission focus began to take on global dimensions in the year 2008, under now President and Missionary Pastor Jedidiah Wayne Gaines, as he took over as President we sought to replicate years of successful missions and ministry through native ministers and pastors on a global scale.

Hence in 2021 and going forward we have numerous highly vetted, Holy Spirit led native pastors serving in over 10 nations.

We have created a spectacular, safe, secure and easy giving platform acting as a bridge between donors who desire or can benefit from tax deductible charitable giving and native pastors who need and greatly benefit from our complete back office suite of professional services such as donor processing, letters of recommendation, accessible real time accounting, direct deposit to pastor/ministry bank accounts almost instantly via a number of proprietary channels.

As a long term non profit ministry we have been entrusted with several millions of dollars in ministry funding and we hold a spotless record of integrity and oversight with regard to putting funds on target to accomplish the vision, missions and goals of CLI, our field partners and donors like you who make it all possible.

SENDING FUNDS

SENDING FUNDS

Generally we try to send funds to each pastor one time per month, unless special needs arise or a special project is underway. We do this for organizational and efficiency and budget reasons.

METHODS

We maintain a variety of means to disperse funds either directly to our Field Partner's bank account, or to their mobile phone. Each system is highly secure, licensed and accountable.

PROJECT FUNDS

From time to time building projects are undertaken and they require sending larger sums of funds at different intervals to meet the project needs. We provide this service as well.

ABOUT US

OUR VISION

Mark 9:23 "Everything is possible for one who believes." We touch hearts and change lives all across Latin America and everywhere Spanish is spoken by sharing Jesus as Lord and guiding people to walk in faith daily.

OUR MISSION

To help people live faithfully no matter what they face in these last days. Our Legacy Project is teaching the entire New Testament verse by verse, chapter by chapter and book by book until the entire New Testament is available and shared across Latin America and the world in 15 to 20 minute HD videos that are Holy Spirit led, culturally impacting and life changing by the power of the Holy Spirit of God. Support the Berean Legacy Project on our Give On Purpose website.

OUR VALUES

A challenge to always live doing God's will and never stop dreaming and making our dreams come true even if there are challenges to face every day.
