We were disappointed this summer with the cancellation of Boomerang DayCamp but Sergio did not let this stop him from finding creative ways to engage our youth. Thank you Sergio!

Our youth programs are now in full swing for the fall with a few changes.

Harmony Kids are meeting on Thursdays and are alternating between person and zoom meetings!

Junior High has moved to Friday nights and **Senior High** continues on Wednesdays.

Every second Tuesday will be a joint zoom meeting for the Junior and Senior High kids who that aren't able to meet on the other nights.

As always Sergio has an exciting line-up of events for all who attend.

Church Services in-person and on-line!

After an unprecedented season in the life of our church we are again meeting in the building. On September 20th we held our first in-person worship service since mid-March! You are welcome to join anytime providing you are in good health! Our services will continue to be streamed on YouTube Sunday mornings on 10:30.

Annual Business Meeting Part 1 November 29

PICKLEBALL is back in the building.

It sure looks different, with all the checks and balances in place, but our Pickleballers are back and making noise on Thursday mornings. Preregistration is required.

Harmony 55er's Zoom Meetings

Our Harmony 55ers have continued to meet weekly via zoom with Jeffrey and Janet Doucet joining in from New Brunswick.

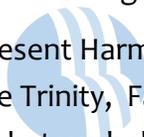

Harmony Connect

Connecting as a church family is so important right now. We are planning to hold monthly events to give people a chance to meet together. We had 2 campfires this summer and our next event is Family Feud.

Our logo

The waterfall logo we have chosen to represent Harmony Baptist highlights both our beautiful city, the Waterfall Capitol of the World and the Trinity, Father, Son, and Holy Spirit, so foundational to what we believe.

Deacon Board Up-date

I'm so very thankful for the journey through COVID- 19 these past few months; the things that it has taught us about ourselves, others and our God.

I started listing what I was thankful for and I filled a page without being halfway done. I'm thankful for the way in which each person in our congregation has risen to the challenge before us; for their diligence, their perseverance, their creativity and the way they've spread the love of Jesus Christ in word and action to those around them.

Most of all I'm thankful to God our Father, our Lord Jesus Christ and His Holy Spirit for guiding us.

I was reminded recently of the promises God has made to us:

- We are not alone Hebrews 13:5
- Nothing take's Him by surprise. Hebrews 12:2
- When I am weak, He is strong Deuteronomy 33:27
- He is the God of new beginnings Romans 6 :23
- His love never gives up on us John 10:28

Thank you for your faithfulness to Jesus Christ as you live out His gospel where you are.

Property Board Update

Since I last reported to you at the end of June, the church has returned to some of its regular activities. Sergio led several in-person youth events during the summer and starting in late August and September campfires, a movie night and Sunday services were held. These activities have necessitated careful cleaning of the facilities so that it remains sanitized and safe for all. Special thanks go to Greta and Gerry for their extra attention to these details through these unprecedented times.

As previously mentioned , due to the uncertainty of the financial situation of the church, capital projects for this year, have been postponed, and the focus of our efforts have been on operations and maintenance of the facility. In the past month, work has been on adapting our building to enable us to comply with governmental guidelines. We ask that everyone take care and do their part in ensuring our building remains safe for everyone. If you have any concerns, or items that you feel need attention, please do not hesitate to speak to me or one of the members of the Property Board.
