Saint Luke the Evangelist

Luke was an evangelist, the writer of the third Gospel. He never met Christ in person, but in his Gospel, he says that he came to know about Jesus because of eyewitnesses to the events of Jesus’ life, death, and resurrection. Hearing those stories helped Luke to become a believer, and he wrote his Gospel so that others would come to know and love Jesus. Luke was a doctor and is considered the patron saint of physicians. In his Gospel, Luke helps us to know Jesus’ concern for the poor, the sick, and those in need. We celebrate the Feast of Saint Luke each year on Oct. 18. Luke is the Patron saint of our church, and we transfer his Feast day to the nearest Sunday. This year our Patronal Festival is October 17!
