PWRDF raises over \$45,000 in Ride for Refuge Campaign

After having its best fundraising year ever in 2020, PWRDF decided to set its sights high with a goal of \$40,000. Not only did they meet that goal, they exceeded it, to make the **2021 Ride PWRDF's best year ever.**

PWRDF has raised \$47,470 that will go to support the Light for Every Birth project in Mozambique. That is nearly \$3,000 more than its record breaking Ride last year and 118% of its 2021 \$40,000 goal.

This year's fundraising efforts will ensure rural health clinics in Mozambique have light for essential functions, such as delivering a baby in the nighttime. Our partner EHALE will install 50 solar suitcases (a wall-mounted unit that opens like a suitcase and includes phone charging ports, a portable headlamp and a fetal Doppler to monitor baby's heartbeat). The suitcase is connected to a solar panel mounted to the roof.

Thank you to everyone who participated in and supported PWRDF's campaign.

Thanks to you, clinics in Mozambique will shine brighter than ever.

For information on other ways to support PWRDF, please contact your Parish Representative at louise.vanwoelderren@gmail.com

My story

In October, your Generosity Team shared a focus on two of our key Principles of Stewardship – "abundance" and "thanksgiving".

In November we shift our focus to stewardship being a "spiritual habit" and an essential part of "my story" as

a disciple of Jesus.

November is a time when we reflect on those faithful who have gone before (All Souls' Day) and the example they leave for those of us who continue to serve (All Saints' Day). Throughout the month of November, we will share stories of the faithful, from those who have departed to glory and those still among us. We look forward to learning how their dedication to Christ spurred them to give.

At the end of the month, we will focus on "planned giving" to provide suggestions of ways we can continue to give to the church after we pass through our wills.

Check the Chronicle each week for the Generosity Team box and click on the link that will take you to an article, video or reflection.

Thank you everyone that participated in the virtual Cathedral Town Hall on October 31. It was obvious from the polling that you feel informed on the key priorities of Christ's Church Cathedral, that you have the communication you need in advance of the service and that you feel safe since returning to in person services. There are still components of the service that we miss like singing, full communion and coffee hour. Good News was announced that singing is now returning to our in-person services!

We have made a decision to cancel the Town Hall scheduled for November 28 and we will resume our Town Halls in 2022.

Blessings,
